Residential Street Snow Removal Gets Underway in North End (Zone 2) January 13 - 17

Watch for 'No Parking' Signs and Move Parked Vehicles

Snow removal operations will get underway in the North End (Zone 2) next week (January 13-17), beginning with Priority Routes first, followed by residential streets.

Snow removal operations will move to the Riverside area (Zone 4) on Wednesday, January 15 due to waste collection in the North End on that day.

'No Parking' Signs

Please watch for 'No Parking' signs and move parked vehicles from roads when the signs are posted.

Removing your vehicle from the roadway when 'No Parking' signs are posted in advance of snow removal operations is a requirement under the Town's Traffic Bylaw and can result in fines and towing of the vehicle at the owner's expense if needed.

Removing your vehicle from the road also helps crews conduct snow and ice control operations safely and more efficiently.

To view Priority Routes and Zone Maps, please visit ponoka.ca/p/snow-ice-control-program

Motorists are encouraged to take an alternate route to avoid snow and ice control equipment where possible.

How to Report an Icy Intersection or Sidewalk

To report an icy intersection, back alley or snow-covered sidewalk that may need attention, please submit an online service request by visiting ponoka.ca/p/online-service-request. You can also phone 403-783-4431 where Town staff can help fill out the online form for you.

Please note that Town winter operations crews work in conjunction with the Alberta Ministry of Transportation and Economic Corridors, which is responsible for snow and ice control on Highways 2A and 53 in Ponoka. Inquiries related to snow and ice control on these roadways can be directed to their contractor, Main Roads, at 1-877-875-3263.
