

# Residential Snow Removal Returns to Lucas Heights (Zone 1) for February 10 - 14

Residential snow removal operations will return to Lucas Heights (Zone 1) next week (February 10 - 14) beginning with Priority Routes first, followed by residential streets.

Snow removal operations will move to Central District (Zone 3) on Friday, February 14 due to waste collection in Lucas Heights that day.

Please note that changing weather conditions and new snowfall events can require crews to direct their attention back to priority routes and delay planned snow removal operations. As a result, crews may not complete the entire zone and will return at a later date.

## **'No Parking' Signs**

Please watch for 'No Parking' signs and move parked vehicles from roads when the signs are posted.

Removing your vehicle from the roadway when 'No Parking' signs are posted in advance of snow removal operations helps crews conduct snow removal more effectively and safely. It is also a requirement under the Town's Traffic Bylaw and can result in fines and towing of the vehicle at the owner's expense if needed.

For more information, and to view Priority Routes and Zone Maps, please visit <https://www.ponoka.ca/p/snow-ice-control-program>.

## **How to Report an Icy Intersection or Sidewalk**

To report an icy intersection, back alley or snow-covered sidewalk that may need attention, please submit an online service request by visiting [ponoka.ca/p/online-service-request](https://ponoka.ca/p/online-service-request). You can also phone 403-783-4431 where Town staff can help fill out the online form for you.

Please note that Town winter operations crews work in conjunction with the Alberta Ministry of Transportation and Economic Corridors, which is responsible for snow and ice control on Highways 2A and 53 in Ponoka. Inquiries related to snow and ice control on these roadways can be directed to their contractor Main Roads at 1-877-875-3263.
