

## Town of Ponoka Snow and Ice Control Update

Town of Ponoka snow and ice control crews are continuing to clear snow from Priority 1 and 2 routes and will be moving into Zone 6 – Downtown Core. Sanding and salting will also be continuing on roadways as needed.

Crews are also sanding, salting and conducting snow clearing operations on sidewalks adjacent to Town-owned properties, as well as on walking trails and park furniture (benches, picnic tables, etc.) in Town parks and throughout the trail system.

Motorists are encouraged to slow down and drive for winter conditions. To report an icy intersection, back alley or snow-covered sidewalk that may need attention, please submit an online service request by visiting [ponoka.ca/p/online-service-request](https://ponoka.ca/p/online-service-request). You can also phone 403-783-4431 where Town staff can help fill out the online form for you.

Please note that Town winter operations crews work in conjunction with the Alberta Ministry of Transportation and Economic Corridors, which is responsible for snow and ice control on Highways 2A and 53 in Ponoka. Inquiries related to snow and ice control on these roadways can be directed to their contractor, Main Roads, at 1-817-875-3263.
