January 20 to 24, 2025

Residential Snow Removal Moves to Lucas Heights (Zone 1)

Residential snow removal operations will move into Lucas Heights (Zone 1) this week (January 20-24), beginning with Priority Routes first, followed by residential streets.

Please note that changing weather conditions and new snowfall events can require crews to direct their attention back to priority routes and delay planned snow removal operations.

Watch for 'No Parking' Signs and Move Parked Vehicles

Please watch for 'No Parking' signs and move parked vehicles from roads when the signs are posted.

Removing your vehicle from the roadway when 'No Parking' signs are posted in advance of snow removal operations is a requirement under the Town's Traffic Bylaw and can result in fines and towing of the vehicle at the owner's expense if needed.

Removing your vehicle from the road also helps crews conduct snow and ice control operations safely and more efficiently.

To view Priority Routes and Zone Maps, please visit ponoka.ca/p/snow-ice-control-program

Motorists are encouraged to take an alternate route to avoid snow and ice control equipment where possible.

How to Report an Icy Intersection or Sidewalk

To report an icy intersection, back alley or snow-covered sidewalk that may need attention, please submit an online service request by visiting ponoka.ca/p/online-service-request. You can also phone 403-783-4431 where Town staff can help fill out the online form for you.

Please note that Town winter operations crews work in conjunction with the Alberta Ministry of Transportation and Economic Corridors, which is responsible for snow and ice control on Highways 2A and 53 in Ponoka. Inquiries related to snow and ice control on these roadways can be directed to their contractor, Main Roads, at 1-877-875-3263.
