

Q 12. What kind of post-secondary programs will CAC offer in Ponoka?

- CAC began programming in Ponoka in April 2018 when it offered the Red Deer College (RDC) Management Skills for Supervisors certificate program.
- CAC plans to bring a Heavy Equipment Operator program to Ponoka in September 2019 and a Health Care Aide Certificate in February 2020.
- The CAC learning centre site includes a health care training lab equipped with seven hospital beds and other medical training equipment.
- CAC in partnership with Ponoka/Rimbey Adult Learning & Family Literacy continues to gather research and community input to determine what other post-secondary programs and courses are most needed in Ponoka.
- For further information about CAC programming to be offered in Ponoka, please contact CAC Executive Director Bonnie Ireland at 403-742-0160.
