

**Q 14. Will locating the new Library at the north end of Downtown Ponoka affect usage among Library users who walk to the Library?**

- The new Community Learning Centre is located approximately 800 metres from Chipman Avenue (the Downtown core). The Library's new location has seen an increase in users. As of January 2019, the Library is serving 200 to 300 patrons daily at its new location in the Ponoka Civic Building.
