Resurfacing of 38 Street to Begin June 5

(May 31, 2017 – Ponoka, Alberta) – The resurfacing of 38 Street is scheduled to begin on Monday, June 5. Residents in the area are being notified directly this week of the planned roadwork. The resurfacing work was originally scheduled last fall but had to be rescheduled due to early winter conditions, which prevented the contractor from being able to complete the work within the originally planned timeframe.

Motorists are asked to drive with caution in the area and watch for signs. If you have questions, please call 403-783-0159. Thank you for your patience.
